

## Jordan Square Board Meeting

June 15, 2023

6:30 p.m.

Present: Doug Reed, Robert DeLancey, Cassidy Hansen, Jannett Chavez, Amanda Leach, Jacque Buchanan

Meeting minutes from May 25, 2023 were read with no additions or corrections. Moved by Robert to approve and Amanda seconded. All approved.

We once again reviewed the changes for JS Rules and Regulations and Violations of Rules. Doug made the motion to approve, Amanda seconded. All voted in favor of approving and they are ready to be posted on the Jordan Square webpage.

Parking in the three north visitor spots was once again discussed. There are still issues with owners. One family which has 3 vehicles are daily offenders.

We discussed when we have new parking space lines painted again, that we need to give more room to the cars which are next to the garages. These spaces are very tight.

We decided to put our grounds inspections on hold because of the upcoming roofing, siding, and gutter replacements. We will revisit at our August meeting, scheduled for the 16<sup>th</sup>.
