c) In no event shall the insurance coverage obtained and maintained pursuant to the requirements of this Article be brought into contribution with insurance issued in the name of any individual unit owner purchased as herein permitted by such owner of an unit or their mortgagee. Any "no other insurance" or similar clause in any policy obtained by the Association pursuant to the requirements of this Article shall exclude such policies from consideration.

d) All policies shall provide that such policies may not be canceled or substantially modified without at least 30 days prior written notice to any and all insureds named thereon, including the Association any and all mortgagees of the units. Policies are unacceptable where:

i) under the terms of the insurance carrier's charter, by-laws, or policy, contributions or assessments may be made against borrowers, FNMA, FHLMC, or the

designee of FNMA or FHLMC, or if made against any other party, could become a lien on the mortgaged property superior to the outstanding liens, or

ii) by terms of the carrier's charter, by-laws, or policy, loss payments are contingent upon action by the carrier's board of directors, policyholders, or members, or

iii) the policy includes any limiting clauses (other than insurance conditions) which could prevent FNMA, FHLMC or the borrowers from collecting insurance proceeds.

e) All fire and other hazard insurance policies shall provide that, notwithstanding any provisions thereof which give the carrier the right to erect or restore damage in lieu of making a cash settlement, such option shall not be exercisable when in conflict with the provisions of the Declaration and Bylaws.

f) All policies shall contain a waiver of subrogation by the insurer as to any and all claims against the Association, its Board of Directors, their agents and employees, the respective unit owners, their respective employees and agents. Independent contractors shall not be considered agents, employees or servants of the Association or of the respective unit owners within the meaning of said waiver.

g) The insurance policy shall contain a provision that the insurance shall not be prejudiced:

i) By any act or neglect of any occupants or owners of the building when such act or neglect is not within the control of the unit owners collective; or

ii) By failure of the unit owners collectively, to comply with any warranty or condition with regard to any portion of the premises over which the unit owners collectively have no control.

h) The owner of any unit (including the holder of any mortgage thereon) may obtain additional insurance (including a "condominium unit-owner's endorsement" for improvements and betterments to the unit made or acquired at the expense of the owner) at his expenses. Such insurance shall be written either by the same carrier as that purchased by the Association pursuant to this Article, or if written by another carrier, shall provide that it shall be without contribution as against the same. Such insurance shall contain the same waiver of subrogation provisions as set forth in Section 9(f) of this Article. The Developer recommends that each owner of a unit obtain, in addition to the insurance hereinabove required to be obtained by the Association, a "Tenant's Policy", or equivalent, to insurance against loss or damage to personal property, including but not limited to decorated surfaces of walls, floor coverings, plumbing and electrical fixtures, non-load bearing walls and appliances used or incidental to the occupancy of the unit, vandalism or malicious mischief, theft, personal liability and the like. Such policy should

include a "condominium unit owner's endorsement" covering losses to improvements and betterments to the unit made or acquired at the expense of the owner.

i) Certificate of insurance shall be issued to each unit owner and mortgagee upon request, in a form acceptable to the mortgagee. Specimen policies shall be provided to any mortgagee upon request.

j) Casualty policies shall contain the standard mortgagee clause (without contribution) as is commonly accepted by private institutional mortgage lenders in the area and which appropriately names FNMA and FHLMC, as the case may be, if such corporations are holders of first mortgages on units within the condominium regime. If FHLMC owns the first mortgage on a unit, the seller/servicer of the mortgage and its successors and assigns shall also be named as the mortgagee on the mortgagee clause.

k) Casualty policies shall also include an "Agreed Amount Endorsement," and if available, an "Inflation Guard Endorsement."

10. Blanket fidelity bonds shall be required to be maintained by the Association for all officers, directors and employees of the Association and all other persons handling, or responsible for, fund of or administered by the Association. Where the management agent has the responsibility for handling or administering funds of the Association, the management agent shall be required to maintain fidelity bond coverage for its officers, employees, and agents handling or responsible for funds of, or administered on behalf of, the Association. Such fidelity bonds shall name the Association as an obligee and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Association or the management agent, as the case may be, at any given time during the term of each bond and shall conform to the requirements of FNMA or FHLMC should the entities be mortgage holders of any unit in the condominium project. The Federal National Mortgage Association also requires, as a condition to approval of condominium projects, that such bonds provide that the FNMA Servicers, on behalf of the FNMA, also receive notice of cancellation or modification. However, in no event may the aggregate amount of such bonds be less than a sum equal to three months' aggregate assessments on all units plus reserve funds. The bonds shall contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees," or similar terms or expressions. The premiums on all bonds required herein, except those maintained by the management agent, shall be paid by the Association as a common expense. The bonds shall provide that they may not be canceled or substantially modified (including cancellation for non-payment of premium) without at least ten days' prior written notice to the Association or Insurance Trustee.

ARTICLE XIII AMENDMENTS

1. Procedure. Except as otherwise provided herein this Declaration or a termination of the regime as a result of destruction, damage or condemnation, this Declaration may be amended and such amendment shall be made in the following manner:

a. The consent in writing of owners of units to which at least 51 percent of the votes in the Master Association are allocated and the approval of the eligible holders of first mortgages on units to which at least 51 percent of the votes of units subject to mortgages appertain shall be required to terminate the condominium regime. No amendment to this Declaration shall be effective unless and until approved by the Master Association and no Sub-Association has the authority to file an amendment hereto under any circumstance.

b. In the case of an amendment to this Declaration by reason of an amendment to the Bylaws of any Association, in the manner specified in such Bylaws, such amendment shall be effective upon its execution and recordation by the president or other officer of the Master Association, authorized therefore by resolution, in the records of the Recorder of Dallas County, Iowa.

c. In the case of all other amendments to this Declaration, by written agreement of the unit owners to which at least 51 percent of the votes in the Master Association are allocated, provided eligible holders of a first mortgage of records to which at least 51 percent of the votes of units subject to a mortgage appertain so approve in writing and recordation by the president or other officer of the Master Association, authorized therefore by resolution, in the records of the Recorder of Dallas County, Iowa.

d. Notwithstanding the foregoing, Developer may, until all construction of the condominium regime contemplated herein has been completed or so long as Developer owns any unit, whichever is later, make amendments to this Declaration without the approval of the unit owners. Such amendment shall be for the purpose of clarification or correction of errors in the Declaration and shall not affect the substantive rights of a unit owner.

e. Notwithstanding anything to the contrary provided herein, so long as the Developer retains an interest in any of the units subject to this Declaration, Developer shall have sole voting control and authority relating to the Master Association, the Master Board of Directors and all other matters relating to the operation of the Master Association. At such time as the Developer no longer retains an ownership interest in any unit, or until such time the Developer waives the right to be the sole voting member, whichever first occurs, all such voting control and authority shall automatically transfer back to the Master Board of Directors and the unit Owners a part thereof.

2. Effectiveness. Upon recordation of the Office of the Dallas County Recorder by the president or other officer appointed for that purpose, an amendment adopted in the manner specified in Paragraph 1 of this Article, or as otherwise provided in other Articles herein, shall be effective against any persons having an interest in a unit or the regime regardless of whether said

person had such interest at the time said amendment was adopted in accordance with Paragraph 1 of this Article.

3. Ownership Units. Upon Developer's completion of construction of the entire Development, no amendment shall change the number of ownership units appurtenant to a unit, nor the share of the common elements appurtenant to it, nor increase the owner's share of the common expense, unless the record owner of the unit concerned and all record owners of mortgages thereon shall affirmatively join in the adoption of such amendment. No amendment shall change or affect the provision of this paragraph 3 of this Article.

**ARTICLE XIV
EXPANSION OF CONDOMINIUM REGIME**

1. The right to enlarge the condominium regime from time to time, is reserved exclusively to Developer and shall be exercised by Developer, if at all, not later than the date five years after the date of recording this Declaration. Developer shall and exercise the right to enlarge the condominiums regime not only in its individual capacity but also as agent for the owners of all units in the condominium regime as now constituted or hereafter enlarged and such unit owners do hereby irrevocable appoint Developer as their agent for the purpose of so enlarging the condominium regime.

2. The right to enlarge the condominium regime by adding thereto additional land, upon which additional buildings, units, and other improvements exist or are to be constructed, shall be exercised by Developer, if at all, by executing and acknowledging a supplemental declaration(s) to such effect made pursuant to the Horizontal Property Act. Such supplemental declaration(s) shall constitute an amendment of and, by appropriate reference thereto, shall be incorporated into this Declaration by which the condominium regime is originally established. Such supplemental declaration(s) shall be effective when recorded in the office of the Recorder of Dallas County, Iowa.

3. If HUD, the VA or FNMA or any other Federal housing authority holds, insures or guarantees any mortgage on existing units at the time the Developer wants to proceed with any expansion of the condominium regime as provided in this Article, each such agency or entity must give its written consent to the particular phase of the expansion. Provided, however, such consent shall not be withheld if the proposed expansion substantially conforms to the plan of expansion set forth in this Article XIV and the Recitals of the Declaration.

4. The buildings to be included in any additional enlargement and appurtenant improvements of the condominium project must be substantially completed before the same can be added to the condominium regime by the filing of a supplemental declaration. All taxes and other assessments relating to the property in any addition covering any period prior t the addition must be paid or otherwise satisfactorily provided for by the Developer prior to filing the supplemental declaration for that addition. If FNMA holds any mortgage on an existing unit at the time any additional land is added to the condominium regime, FNMA must be furnished with

title evidence in a form satisfactory to it, which discloses any lien, easement or other encumbrance affecting additional land to be added which will affect the existing condominium regime after such addition. All of the original cost of any land, or the buildings, apartments, and other improvements existing or to be constructed thereon, which are added to the condominium by a supplemental declaration, shall be paid for by Developer and no part thereof shall ever be assessed against any units as a common expense.

5. The fractional interest in the common elements appurtenants to each unit in the condominium regime as now constituted or hereafter enlarged shall be a fraction having as its numerator one and having as its denominator the total of all units in the condominium regime.

Such assessment shall be due and payable from the respective unit owner or owners in 12 equal installments, each installment being due and payable the first day of each calendar month, which day falls within such fiscal year. In the event the Regime is expanded during a fiscal year as provided in the Declaration, the share of any unit's annual assessment for such fiscal year shall be reduced to the new ratio of such unit to all total units and the monthly installments payable by each unit shall be correspondingly reduced commencing with the monthly assessment payable after the filing of the supplemental declaration by which the Regime is expanded, and the sale of any unit added by such supplemental declaration. In the event any expenditure for repair or replacement of any unit or common elements cannot be paid from annual assessments but can be at least 90% paid from insurance proceeds therefore, such expenditures may be made upon approval of the Board of Directors without approval of the members and an amended budget and assessment may be made therefore if necessary.

(b) Reserve for deferred maintenance, which shall include funds for maintenance items which occur less frequently than annually.

2. The Board of Directors shall assess against each unit, and the owners thereof only shall be liable for, a share of the items in the budget adopted pursuant to Paragraph 1 which bears the same ratio to the total budget as the ownership units appurtenant to such unit bear to the total ownership units of all units subject to the Regime. In the event the Regime is expanded during a fiscal year as provided in the Declaration, the share of any unit's annual assessment for such fiscal year shall be reduced to the new ratio of such unit to all total units and the monthly installments payable by each unit shall be correspondingly reduced commencing with the monthly assessment payable after the filing of the supplemental declaration by which the Regime is expanded, and the 'sale of any unit added by such supplemental declaration. In the event notice of such assessment is not timely given the amount of such assessment shall not change, but the due date for each installment which would otherwise be due and payable less than 30 days from the giving of such notice shall be due and payable on the due date of the first installment which is due not less than 30 days from the date such notice is mailed or delivered. In the event the annual assessment proves to be insufficient, the budget and assessments therefore, may be amended at any time by the Board of Directors if the total amount of the budget as amended does not exceed 110% of the total amount of the budget as originally adopted for the said fiscal year. In the event the budget as amended exceeds the limitation of the previous sentence, such budget may be adopted at a special members' meeting upon an affirmative vote of a majority of the ownership units represented at such meeting. The additional amount so budgeted shall be assessed to each unit in the same manner as assessments for the annual budget and shall be prorated along the remaining installments due and payable in such year.

3. Assessments for common expenses for emergencies and extraordinary expenditures, which cannot be paid from the annual assessments for common expenses or the maintenance reserve fund shall be made only after notice of the need thereof to the unit owners concerned. After such notice and upon approval in writing by persons entitled to cast more than one half of the votes appurtenant to the units concerned, the assessment shall become effective, and it shall be due in such manner as the Board of Directors may require after thirty (30) days' notice thereof. In the event any expenditure for repair or replacement of any unit or common elements cannot be paid from annual assessments but can be at least 90% paid from insurance proceeds therefore, such expenditures may be made upon approval of the Board of Directors without approval of the members and an amended budget and assessment may be made therefore if necessary.

4. If an owner shall be in default in the payment of an installment upon an assessment, interest shall accrue thereon at the rate of 10% per annum from the due date, and the Board of Directors may accelerate the remaining installments of the assessment upon notice thereof to such owner, and thereupon the unpaid balance of the assessment shall come due upon the date stated in the notice, but no less than ten (10) days after the delivery, thereof to such owner either personally or by registered or certified Mail. Interest on any accelerated installments shall be at the rate of 10% per annum from the date the accelerated balance becomes due; such interest shall be in addition to any other payments for which said owner is liable. In the event the budget as amended exceeds the limitation of the previous sentence, such budget may be adopted at a special members' meeting upon an affirmative vote of a majority of the ownership units represented at such meeting. In the event any expenditure for repair or replacement of any unit or common elements cannot be paid from annual assessments but can be at least 90% paid from insurance proceeds therefore, such expenditures may be made upon approval of the Board of Directors without approval of the members and an amended budget and assessment may be made therefore if necessary.

4. If an owner shall be in default in the payment of an installment upon an assessment, interest shall accrue thereon at the rate of 10% per annum from the due date, and the Board of Directors may accelerate the remaining installments of the assessment upon notice thereof to such owner, and thereupon the unpaid balance of the assessment shall come due upon the date stated in the notice, but no less than ten (10) days after the delivery, thereof to such owner either personally or by registered or certified Mail.
